

BOX OF MAINE™

Fundraising Program

Box Of Maine wants to help your school fundraise!

Whoopie pies are a staple of Maine, loved and celebrated by families all across the state. We are proud to offer a program where students can collect orders for these delicious baked goods. We will fulfill your orders and 50% of all the proceeds go towards your class/school fundraiser. Our goal is to help share our love of Maine with all of your friends and family.

BOM Fundraising

How It Works:

We provide you and your students with order forms that they can use to collect orders from friends and family in your community. Once all of the orders have been collected, you send us your order forms & the total amount sold, and we get right to work on preparing your order.

Payment:

Once all of the funds have been collected by the school, and the orders have been submitted, we will invoice the group with the funds for 50% of the sales plus any applicable fees. This invoice is either to be paid ahead of time via check or, if applicable, at the time of delivery.

Order Fulfillment & Lead Times:

Once all the orders and proceeds have been received, we get right to work on fulfilling your order.

- There is a \$50 Administration Fee to help us cover all the labor costs.
- Orders totaling more than 20 cases may take up to 3 weeks to fulfill from the time we receive them.
- We do offer free delivery to schools located in the greater Bangor area. Schools outside of this area will be charged \$50-\$100 depending on distance traveled & will come out of the total funds raised by the school.
- If your school is outside of our delivery area, and you want the order shipped directly to you, our costs to ship will be deducted from the total funds raised by the school.
- Prizes won by students will be delivered at the time of order fulfillment.
- Whoopies can be shipped directly from us to any of the lower 50 states for an additional cost of \$15 per case of whoopies. This cost is not shared with the school & 100% will go to BOM to cover order fulfillment costs.
